

## Instructions for Authors

U. S. Chinese Journal of Lymphology and Oncology is an English international academic periodical owned by the American–Chinese Medical Association and published by the college of Medicine, Shandong University, PRC. The JOURNAL has been accepted by CA.

The JOURNAL publishes papers based on original, previously unpublished researches of the lymphatic system and oncology, including etiology, pathology and the treatment of any related diseases.

As a condition of publication, all authors must transfer copyright to the American Chinese Medical Association. Manuscripts submitted under multiple authorship are reviewed on the assumption that all listed authors concur in the submission and that the final version of the manuscript has been seen and approved by all authors.

All submitted manuscripts should contain original research not previously published and not under consideration for publication elsewhere. Papers must be written in English.
